

# The Animal Rights Movement

"In the end, I think it would be lovely if we stopped this whole notion of pets altogether."  
Ingrid Newkirk,  
President of PETA

**Public Message**

"Caring for Wild and Exotic Animals Is Difficult or Impossible"

"Virtually everyone in the country is responsible for the suffering of farmed animals" **LIES!!**

"Some animals are bad, they must be outlawed for public safety reasons"

"Mandatory spay-neuter is the only way"

"There is an animal abuse crisis-we need more laws"

"We are animal advocates"

"We have no ethical obligation to preserve the different breeds of livestock produced through selective breeding ... One generation and out. We have no problems with the extinction of domestic animals. They are creations of human selective breeding."  
—Wayne Pacelle, President, Humane Society of the United States

Disclaimer:  
Not all animal rights groups mentioned take position on all animal uses mentioned in this poster. To find out the exact mission and position statement of a particular group, contact them directly.

**Ultimate Agenda:**

# NO ANIMAL USE

Examples of different animal uses include: pet ownership, zoos, rodeos, therapy animals including guide dogs, law enforcement dogs, farming for food (eggs, milk, meat), farming for goods (leather, fur), 4-H programs, medical research, animals in entertainment and education, hunting and others.
